➔ March Madness is back!

One for our MVPs across INTO North America!

It's that time of year again - the INTO Giving March sweepstakes is underway.

\$20 entry gets you one team from the men's & one team from the women's bracket! Winners: \$100 dollar voucher. Runners-up: \$50 voucher

Every penny we receive goes to providing vulnerable children a more stable future through our education projects.

➔ New Year, New Swag

Rainbow INTO Giving lanyards, recycled cotton tote bags, t-shirts, running vests & cycling jerseys have arrived!

And, you can purchase them for a donation to INTO Giving! Get in touch for goodies for you, your students or your team!

If you run or cycle for us in a fundraising event the vest or jersey comes free with your place!

INTO GIVING

£3,600 (\$4,300) RAISED FOR SYRIA & TÜRKIYE EARTHQUAKE RELIEF

The devastating earthquakes that hit Southern Türkiye and Northern Syria, have taken over 44,000 lives and seen many more thousands of people displaced from their homes, exposing them to freezing temperatures and snowstorms.

With team members, friends and family personally affected, INTO colleagues in Digital Systems, MEA and ECA raised funds via the iGive platform, where everything raised is topped up by INTO Giving. Given the exceptional circumstances and need, INTO Giving has topped up the total by 25% (usually 20%)

With the 25% top up, the total iGive appeal total is more than £3,600 (\$4,300)

These funds will go straight to Save the Children, funding efforts on the ground. Together, we are helping families get food, warm blankets, winter clothes and shelter. Together, we are setting up safe spaces for women and children, and providing psychological support.

The kindness and generosity shown by INTO employees, friends and family will help get life-saving supplies to terrified children and families who've lost everything.

Thank you.
